

# Prayer for Peace

*Lord Jesus-Christ,*

You are our Peace and the Light of the Nations!

Support us on our journey through this world, just as we followed you on your triumphal entry into the Holy City of Jerusalem and then on your path of the Passion for the Father and for humanity. Help humanity to put an end to the spiral of terror and suffering in the Holy Land and throughout the Middle East!

May peace and justice flourish in the Holy Places.

To You, we offer our prayer of trust for today and forever and ever. **Amen.**
